1. C/LSD/OL		4/28	WLT	From: In reviewing the latest update of the Directory of Federal Agency Energy Officials received from DOE, I noticed [Redacted] name (misspelled) still being listed under "Other Primary Energy Official." If appropriate, please provide a replacement name which we can submit to DOE. Also the April 1980 insert differs from the 1981 version in that the word (Transportation) is omitted from the 1981 version. Which version is preferred?
